Adopt-A-Highway Safety Tips

What to avoid:

- ❑ Stay away from construction sites, mowing activities, open water, bridges, overpasses, or retaining walls that could be dangerous for pedestrians.
- ❑ Avoid poison ivy or other noxious weeds. Stay away from recently applied herbicides.
- ❑ Never try to pick up heavy, large, or hazardous materials. Call the Aitkin County Highway Department at (218) 927-3741 for pickup.

What to wear:

- ❑ Heavy gloves, leather shoes or boots. Light-colored clothing. Hat and long sleeves for sunburn; sunscreen; insect or tick repellent. Reflective vests.

REMEMBER:

A highway is a dangerous place to be. Every crew member should possess these qualifications:

- ❑ At least 12 years of age, unless permitted. Supervision for workers under 18.
- ❑ Mentally alert; good common sense. Good physical condition, including sight and hearing.
- ❑ Sense of responsibility for safety of self and others.

Plan Ahead:

- ❑ Review safety precautions and take them seriously.
- ❑ Assign work teams and leaders before you reach the site. Distribute trashbags beforehand. Estimate the amount of time for your pickup and agree on a meeting place when you are done.
- ❑ Carpool to the site to reduce the number of vehicles along the road. Park vehicles on the shoulder in advance of the area and on the same side of the highway that crews are working.
- ❑ Bring along an adequate first-aid kit. Identify the nearest hospital and know how to get there in an emergency.
- ❑ Don't overexert yourself. Bring along an adequate supply of drinking water and take breaks.

While you work:

- ❑ Work only during daylight hours during good weather.
- ❑ Work one side of the road at a time. Do not cross the road to get to your vehicle.
- ❑ Whenever possible, face oncoming traffic. Stay alert and be prepared to move out of the way in an emergency. Stay with your team.
- ❑ Do not wear headsets which could prevent your hearing traffic or other hazards.
- ❑ Do not crush collected trash to make more room in the bag; broken or jagged objects could cause accidental injuries. Do not put syringes or hypodermic needles in the trashbag as they can easily puncture the bag and cause serious injury. Take care to dispose them properly or return them to the Aitkin County Highway Department for disposal.
- ❑ Do not horse around or do anything to purposely distract drivers.
