Summary of Issue:
The MnDOT Office of State Aid requests that counties periodically update their 5-year bridge replacement plans so they are able to plan, on a statewide basis, the amount of funding needed for the Local Bridge Replacement Program. Aitkin County last updated it's bridge priority resolution in April, 2018.

The bridges on the resolution are proposed for replacement based on annual bridge safety inspections and corresponding condition ratings and are also reflected in the 2020-2024 Capital Road Improvement Program. For the township bridges on the list, agreements are in place between the townships and Aitkin County Highway Department to facilitate the bridge replacement.
