3. The Jacobson Volunteer Fire Department's obligation to provide fire protection service and emergency medical response shall be subject to the following:
 - a. If road and weather conditions at the time of the call are such that the fire/medical run cannot be made with reasonable safety to men and equipment, and the decision of the Fire Chief or his Assistant or Captains in charge shall be final in such matter, no obligation arises under this agreement on the part of the Jacobson Volunteer Fire Department to answer such call.
 - b. In the event that a sufficient amount of the fire fighting/medical equipment and number of volunteer firemen, or both, are committed at the time of which another fire call comes in from the dispatcher of Aitkin County, in the sole judgment of the Fire Chief, his Assistant or Captains, to fighting pre-existing fires or attending pre-existing medical emergencies, so as to render the available equipment and manpower inadequate to answer a fire or medical call from the dispatcher of Aitkin County, no obligation shall arise under this agreement to answer such call. A pre-existing fire/medical emergency for the purposes of this agreement shall be a fire/medical emergency to which the Jacobson Volunteer Fire Department is called previous to receiving the call from the dispatcher of Aitkin County and which fire is still being fought or medical emergency is still being attended to by the Jacobson Volunteer Fire Department at the time the call from the dispatcher of Aitkin County is received.

- c. In the event a fire call is answered by the Jacobson Volunteer Fire Department, but before the fire in question is extinguished, the fire fighting equipment or volunteer firemen, or both are needed to fight another fire in the Jacobson Fire Departments fire district to protect property in the Jacobson Fire Departments fire district from a fire, the Chief or his Assistant Chief or Captains without liability therefore to any person or to the Jacobson Volunteer Fire Department or Township of Ball Bluff under this agreement, may in their judgment recall the fire equipment and firemen to another emergency for the purpose of fighting the fire in the fire district. The judgment of the Fire Chief, Assistant Chief or Captains shall be final and no person or party shall have recourse against the Townships or fire department for any damages or losses resulting from such action or decision.
- d. - 4. The parties acknowledge the fact that the Jacobson Volunteer Fire Department may enter into similar contracts with other townships, and acknowledge that the Jacobson Volunteer Fire Department has entered into mutual aid contracts with other Fire Departments in other municipalities, and that a fire call under any such contract preceding a call in the Township could be a valid and reasonable basis for the decision of the Fire Chief, Assistant Chief or Captains in refusing to answer a fire call in the Township.
- 5. Because the Jacobson Volunteer Fire Department has heretofore entered into mutual assistance fire fighting agreements with other municipalities possessing fire fighting equipment and firemen, which equipment and firemen could be called by the Chief, Assistant Chief or Captains to a fire in the Township, the Township agrees to pay such additional cost as may be incurred thereby if the sole judgment of the Chief, or his Assistant Chief or Captains, such additional fire fighting equipment and firemen are needed to fight a fire in the Township and are in fact called to such fire by the Chief, or his Assistant Chief or Captains.
- 6. Ball Bluff Township shall appoint one person from its board to sit on the Jacobson Volunteer Fire Department Budget Committee to assist in preparing the following year's fire department budget and attend their monthly fire department meetings.
