From: Kirk Peysar, County Auditor 

Re: Lease agreement for License Center

The County leases approximately 800 square feet of space from Patrick and Maryann Holder for the operations of the license center. The term of the lease is for five years at a monthly rate of \$825 which includes utilities except telephone.

The lease does provide for an early out with notice.

I am requesting authorization from the County Board to sign the agreement with the Holder's.

LEASE AGREEMENT

THIS LEASE AGREEMENT, entered into this ____ day of December, 2016 and made effective January 1, 2017, by and between **Patrick L. Holder and Maryann K. Holder, as Trustees of the Maryann K. Holder Revocable Trust under Agreement dated June 16, 2009**, hereinafter referred to as "Landlord", and Aitkin County License Center, hereinafter referred to as "Tenant."

WITNESSETH:

Landlord hereby demises and leases to the Tenant, and Tenant hereby hires from the Landlord, the premises situated in the City of Aitkin, County of Aitkin, and State of Minnesota, located at 2 Second Street NW, containing approximately 800 square feet, hereinafter referred to as the "Premises."

ARTICLE I. INITIAL TERM; RENEWAL

The initial term of this lease shall be for five (5) years from January 1, 2017 through December 31, 2021. This lease shall automatically renew after the expiration of the initial term for a five (5) year renewal term unless Tenant notifies Landlord that it wishes to terminate this Lease at the expiration of the initial five (5) year term, with such renewal term to be under the same terms and conditions of this lease, save and except for the amount of the monthly rent payment due under such renewal lease, which shall be mutually agreed to by the parties.

ARTICLE II. RENT

During the initial term of this lease, the rent shall be in the amount of \$9,900.00 per year, payable in monthly installments of \$825.00 each to Landlord, payable by Tenant in advance on or before the 1st day of each month commencing January 1, 2017 and continuing on

the 1st of each month thereafter until December 31, 2021 at 28248 Pinewood Place, Aitkin, Minnesota 56431 or at such other place designated by Landlord, without prior demand therefore, and without any deduction or set-off whatsoever.

ARTICLE III.
INSURANCE

3.1. Tenant agrees to procure and maintain a policy or policies of insurance, at its own cost and expense, insuring Landlord and Tenant from all claims, demands or actions, for injury or death of any one person in an amount of not less than \$1,000,000.00 and for injury to or death of more than one person in any one accident to the limit of \$1,000,000.00 and for damage to property in an amount of not less than \$ 2,000,000.00 made by or on behalf of any person or persons, firm, corporation or other entity arising from, related to or connected with, the conduct and operation of Tenant's business in or on the leased Premises. Said insurance shall not be subject to cancellation except after at least thirty (30) days prior written notice to Landlord. The policy or policies, or duly executed certificate or certificates for the same, naming Landlord as additional insured, together with satisfactory evidence of the payment of premium thereon, shall be deposited with Landlord at the commencement of the term and renewals thereof not less than thirty (30) days prior to the expiration of the term of such coverage. If Tenant fails to comply with such requirement, Landlord may obtain such insurance and keep the same in effect, and Tenant shall pay Landlord the premium cost thereof upon demand.

3.2. Tenant will, at its sole cost, carry state required workers compensation for its employees, in addition to the other insurance required hereunder or by law. All insurance shall be placed with an insurance company satisfactory to Landlord.

ARTICLE IV.
USE OF PREMISES

Tenant accepts the Premises "AS IS" and acknowledges that Tenant has inspected the Premises prior to taking possession. The leased Premises may be used and occupied for the operation of a license center. Tenant shall promptly comply with all the laws, ordinances and regulations affecting the leased Premises and promulgated by duly constituted governmental authority and including insurance company requirements affecting the cleanliness, safety, use and occupation of the leased Premises.

ARTICLE V.
EXTERIOR SIGNAGE

Tenant shall not erect any exterior signage without first obtaining Landlord's approval. Further, all of Tenant's exterior signage must be in compliance with all applicable City of Aitkin Ordinances.

ARTICLE VI.
INSTALLATIONS AND ALTERATIONS

6.1. Tenant, at its expense, during the term of this lease may make such non-structural alterations to the interior of the Premises as it deems appropriate; provided that all such alterations shall be completed in a good and workmanlike manner and shall not impair the structural soundness or integrity of the Premises. Tenant shall make no additions or alterations whatsoever to the exterior of the Premises and no structural changes whatsoever within the Premises without the prior written consent of the Landlord. All alterations and modifications are to be made in conformity with all local, state and Federal codes, laws, rules, regulations and ordinances.

6.2. Tenant may install in or upon the Premises and remove therefrom such trade fixtures as it may deem necessary or appropriate to its business operations; provided that the removal of such trade fixtures shall cause no material damage to the Premises. Any damage

which may be caused to the Premises by the removal of any of Tenant's trade fixtures shall be repaired by Tenant at its expense forthwith upon the removal of any such trade fixtures.

6.3. Tenant shall not permit any mechanic's, laborer's or materialman's liens to be or remain filed against the Premises for any labor or material furnished to the Premises or to Tenant or claimed to have been furnished to the Premises or to Tenant in connection with work of any character performed or claimed to have been performed on the Premises by or at the direction of Tenant and shall hold Landlord and the Premises harmless therefrom. Tenant agrees to pay all sums of money in respect to any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to Tenant in, at or about the Premises, or furnished to Tenant's agents, employees, contractors, or subcontractors, which may be secured by any mechanics, materials men, suppliers or other type of lien against the Premises or the Landlord's interest therein. In the event any such or similar lien shall be filed, Tenant shall within twenty-four (24) hours of receipt thereof, give notice to the Landlord of such lien and Tenant shall within ten (10) days after receiving notice of the filing of the lien, discharge such lien, or provide Landlord with a bond or other security acceptable to Landlord in an amount equal to one hundred twenty-five percent (125%) of the lien. Failure of Tenant to discharge the lien or provide acceptable security therefor shall constitute a default under this lease and in addition to any other right or remedy of Landlord, Landlord may, but shall not be obligated to, discharge the same of record by paying the amount claimed to be due, and the amount so paid by Landlord and all costs and expenses incurred by Landlord therewith, including reasonable attorney's fees shall be due and payable by Tenant to Landlord.

ARTICLE VII. INDEMNITY

Tenant agrees to indemnify and save Landlord harmless against any and all claims, demands, damages, costs and expenses, including, but not limited to, reasonable attorney's fees for the defense thereof, arising from the conduct of or management of the business conducted by Tenant in the leased Premises or from any breach or default on the part of Tenant in the

performance of any covenant or agreement on the part of Tenant to be performed pursuant to the terms of this lease, or from any act or negligence of Tenant, its agents, contractors, servants, employees, sublessees, concessionaires or licensees, in or about the leased Premises and the sidewalks adjoining the same. In case of any action or proceeding brought against Landlord by reason of any such claim, upon notice from Landlord, Tenant covenants to defend such action or proceeding by counsel reasonably satisfactory to Landlord. Landlord shall not be liable to Tenant, its business, invitees, employees, or other persons, and Tenant waives all claims against Landlord for damage to person or property sustained by Tenant or Tenant's employees, agents, servants, invitees and customers in, on or about the leased Premises or any equipment or appurtenances thereto appertaining becoming out of repair, or resulting from any accident in or about the leased Premises. This shall apply especially, but not exclusively, to the flooding of the leased Premises, and to damages caused by sprinkling devices, air conditioning apparatus, water, snow, frost, steam, gas, excessive heat or cold, falling plaster, broken glass, sewage, odors or noise, or the bursting or leaking of pipes or plumbing fixtures. All property belonging to Tenant or any occupant of the leased Premises shall be there at the risk of Tenant, and Landlord shall not be liable for damage thereto or theft or misappropriation thereof.

Landlord hereby waives and releases all claims, liabilities and causes of action against Tenant and its agents, assigns, servants and employees for loss or damage to, or destruction of, the buildings and other improvements situated on the Premises resulting from fire, explosion or other perils includable in All Risk coverage insurance, caused by the negligence of any of said persons. Landlord or Tenant agree to obtain this waiver from its insurer, and if additional premium is charged, Tenant shall be required to pay the same to keep this waiver in force. Tenant hereby waives and releases all claims, liabilities and causes of action against Landlord and its agents, servants and other employees for loss or damage to, or destruction of, any of the improvements, fixtures, equipment, supplies, merchandise and other property, whether that of Tenant or of others in, upon or about the leased Premises resulting from fire, explosion or the

other perils includable in All Risk coverage insurance, caused by the negligence of Landlord. Tenant agrees to obtain this waiver from its insurer.

In no event shall Landlord be obligated to incur expenses in restoring the Premises in excess of insurance proceeds received by Landlord for any restoration or in the event of any damage to the Premises by fire, flood, the elements or any other casualty if the Premises are insured under a Landlord Policy.

In no event, in the case of any such destruction to the Premises, shall Landlord be required to repair or replace Tenant's equipment, stock and trade, leasehold improvements, fixtures, furnishings, floor coverings or inventory.

ARTICLE VIII. ASSIGNMENT AND SUBLETTING

8.1. Tenant may not assign or in any manner transfer this lease or any interest therein, or sublet said Premises or any part or parts thereof, without the prior written approval of the Landlord.

8.2. Neither this Lease nor any interest therein, nor any estate thereby created, shall pass to any trustees or receiver in bankruptcy, or any assignee for the benefit of creditors, or by operation of law.

8.3 In the event of any such assignment or subletting, Tenant shall nevertheless at all times remain fully responsible and liable for the payment of rent and the performance and observance of all of Tenant's other obligations under the terms, conditions and covenants of this lease.

ARTICLE IX. CONSENT NOT UNREASONABLY WITHHELD

Landlord agrees that whenever under this lease provision is made for Tenant securing the written consent of Landlord, such written consent shall not be unreasonably withheld.

ARTICLE X.
DEFAULT

Default on the part of the Tenant in paying the rentals herein set out or in keeping or performing any term or condition hereunder shall authorize Landlord, at its option, to (a) declare this lease in default and, at Landlord's sole discretion, terminate the lease immediately without notice, and Tenant specifically waives any other demand or notice or (b) immediately re-enter the Premises, without terminating this Lease, and take possession of all personal property therein found without legal process; also, upon such default, all rentals due hereunder for the balance of the term of the lease shall become immediately due and payable, but Tenant shall remain obligated to keep and perform each other term and condition other than the payment of rentals and continued occupancy, and shall be liable for additional damages for failure to keep any such other term and condition.

In the event of any default or breach of any condition of this lease by Tenant, Landlord, in addition to having any other rights or remedies to which it is entitled, shall have the immediate right of re-entry and may remove any and all persons and property from the leased Premises and any such property may be removed or relocated and/or stored in any facility or public warehouse chosen by Landlord, including its own, at the cost of, and for the account of Tenant, all without service of notice or resort to legal process and without being deemed guilty of trespass, or being liable for any loss or damage which may be occasioned thereby.

ARTICLE XI.
ACCESS TO PREMISES

Landlord shall have the right to enter upon the Premises at all reasonable hours for the purpose of inspecting the Premises and for the purpose of showing prospective tenants, making repairs, additions or alterations thereto; provided, that such entry shall not unreasonably interfere with the conduct of the Tenant's business.

ARTICLE XII.
SURRENDER OF POSSESSION

Upon termination of the lease, by expiration of term, or otherwise, Tenant shall redeliver to Landlord the Premises in good order and condition, cleared of all goods and equipment belonging to Tenant and broom clean and shall make good all damages to the Premises, ordinary wear and tear excepted, and shall remain liable for holdover rent until the Premises shall be returned in such order to Landlord.

ARTICLE XIII.
NOTICES

Whenever under this lease a provision is made for notice of any kind, such notice and the service thereof shall be deemed sufficient if such notice to Tenant is in writing addressed to Tenant at the address provided to Landlord and is sent by standard U.S. mail, with postage prepaid and if such notice to Landlord is in writing addressed to Landlord at 28248 Pinewood Place, Aitkin, Minnesota 56431 and is sent by standard U.S. mail, with postage prepaid. Either party may by notice to the other party change the address at which it wishes to receive any notice given under this lease.

ARTICLE XIV.
EMINENT DOMAIN

14.1 If the whole or any part of the Premises shall be taken under power of eminent domain, this lease shall terminate as to the part so taken on the date of taking ("Taking Date"). Tenant is required to yield possession thereof to the condemning authority. Landlord shall make such repairs and alterations as may be necessary in order to restore the part not taken to useful condition. Effective with the Taking Date the Rent shall be reduced in proportion to the amount of the Premises so taken. If the amount of the Premises so taken substantially impairs the usefulness of the Premises for the use permitted, either party may, by notice to the other

delivered at least sixty (60) days prior to the Taking Date, terminate this lease as of the Taking Date.

14.2 The term "eminent domain" shall include the exercise of any similar governmental power and any purchase or other acquisition in lieu of condemnation. All compensation awarded for taking of the fee and the leasehold shall belong to and be the property of Landlord, provided, however, that Landlord shall not be entitled to any award made to Tenant for relocation or moving expenses.

ARTICLE XV.
ESTOPPEL, SUBORDINATION, NON-DISTURBANCE
AND ATTORNMENT

15.1 Landlord hereby warrants that it and no other person or corporation has the right to lease the Premises hereby demised. So long as Tenant shall perform each and every covenant to be performed by Tenant hereunder, Tenant shall have peaceful and quiet use and possession of the Premises without hindrance on the part of Landlord, and Landlord shall warrant and defend Tenant in such peaceful and quiet use and possession under Landlord. Tenant's rights under this lease are and shall always be subordinate to the operation and effect of any mortgage, deed of trust, ground lease or other security instrument now or hereafter placed upon the Premises, or any part or parts thereof by Landlord. This clause shall be self-operative, and no further instrument of subordination shall be required. However, in confirmation thereof, Tenant may be required to execute an instrument as may be required by any mortgage, lessor or trustee. Any mortgage, ground lessor or trustee under such mortgage, deed of trust, ground lease or other security instrument may elect that this lease shall have priority over its mortgage, deed of trust, ground lease or other security instrument and upon notification of such election by such mortgagee, ground lessor or trustee to Tenant, this lease shall be deemed to have priority over said mortgage, deed of trust, ground lease or other security instrument whether this Lease is dated prior to or subsequent to the date of such mortgage, deed of trust, ground lease or other security instrument.

15.2 Tenant agrees that at any time and from time to time at reasonable intervals, within ten (10) days after written request by Landlord, Tenant will execute, acknowledge and deliver to Landlord, Landlord's mortgagee, or other designated by Landlord, an instrument as may from time to time be provided, ratifying this lease and certifying (a) that Tenant has entered into occupancy of the Premises and the date of such entry if such is the case; (b) that this lease is in full force and effect and has not been assigned, modified, supplemented or amended in any way (or if there has been any assignment, modification, supplement or amendment identifying the same); (c) that this lease represents the entire agreement between Landlord and Tenant as to the subject matter hereof (or if there has been any assignment, modification, supplement or amendment identifying the same); (d) the Commencement and Termination dates of the Term; (e) that all conditions under this lease to be performed by Landlord have been satisfied (and if not, what conditions remain unperformed); (f) that to the knowledge of the signer of such writing no default exists in the performance or observance of any covenant or condition in this lease, and there are no defenses or offsets against the enforcement of this lease by Landlord or specifying each default, defense or offset of which the signer may have knowledge; (g) that no Rent or other rental has been paid in advance and (h) the date to which Rent and all other rentals have been paid under this lease. Tenant hereby irrevocably appoints Landlord its attorney-in-fact to execute such a writing in the event Tenant shall fail to do so within ten (10) days of receipt of Landlord's request.

ARTICLE XVI.
GENERAL

16.1 Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, to create the relationship of principal and agent or of partnership or of joint venture between the parties hereto, it being understood and agreed that neither the method of occupation or rent, nor any other provision contained herein, nor any acts of the parties hereto shall be deemed to create any relationship between the parties hereto other than the relationship

of Landlord and Tenant. Whenever herein the singular number is used, the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

16.2 Cumulative Rights - The rights, options, elections and remedies of both parties contained in this lease shall be cumulative and may be exercised on one or more occasions and none of them shall be construed as excluding any other or any additional right, priority or remedy allowed or provided by law.

16.4 Paragraph Titles - The titles of the various articles of this lease have been inserted merely as a matter of convenience and for reference only and shall not be deemed in any manner to define, limit or describe the scope or intent of the particular paragraphs to which they refer or to affect the meaning or construction of the language contained in the body of such articles.

16.5 Binding Agreement - All rights and liabilities herein given to or imposed upon the respective parties hereto shall extend to bind the legal representatives, successors and assigns of said parties.

16.6 Unenforceability - Unenforceability of any provision contained in this lease shall not affect or impair the validity of any other provision of this lease.

16.7 Governing Law - This lease shall be governed by and construed in accordance with the laws of the State of Minnesota.

16.8 Severability - If any provision of this lease shall be declared legally invalid or unenforceable, then the remaining provisions of this lease nevertheless shall continue in full force and effect and shall be enforceable to the fullest extent permitted by law.

ARTICLE XVII.
HOLDOVER

In the event the Tenant remains in possession of the Premises after the termination of this lease or without the execution of a new lease should the Landlord desire to grant a new lease, then Tenant shall be deemed to be occupying the Premises as Tenant from month to month, with Rent due in an amount one and a half (1½) times Rent due under this lease, subject to all of the conditions, provisions and obligations of this lease, but without any rights to extend the term of this lease; and either party may then terminate this lease upon not less than thirty (30) days prior written notice to the other party.

ARTICLE XVIII.
WAIVERS

One or more waivers by Landlord or Tenant of a breach of any covenant or condition by the other of them shall not be construed as a waiver of the subsequent breach of the same covenant or condition, and the consent or approval by Landlord or Tenant to any act by either requiring the other's consent or approval shall not be deemed to waive or render unnecessary either party's consent to or approval of any subsequent similar act by the other party.

ARTICLE XIX.
ENTIRE AGREEMENT

Tenant and Landlord hereby agree that this lease as written represents the entire agreement between the parties hereto and that there are no other agreements, written or verbal, between the parties hereto pertaining to the Premises or the subject matter hereof. ENVIRONMENTAL MATTERS

Without the prior written consent of Landlord, Tenant shall not cause or permit to be brought upon or kept or used in, on or about the Premises by Tenant, its employees, agents, contractors or invitees any toxic or hazardous material, substance or waste or any other material which may adversely affect the environment, except for materials used in the ordinary course of business of the Tenant, provided such use is a legal use and such materials are used in accordance with all industry and legal standards. If the presence of any such material, substance or waste caused or permitted by Tenant, its employees, agents, contractors or invitees results in any contamination of the Premises, then Tenant shall promptly take all actions at its sole expense as are necessary to return the same to the condition existing prior to the introduction of any such material, substance or waste to the Premises, provided that Landlord's approval of such actions shall first be obtained. Tenant hereby indemnifies and holds Landlord harmless from all loss or damage including reasonable attorney fees, costs and disbursements resulting or caused by Tenant pursuant to this paragraph. Sec. 7401 et seq., or any similar state law or local ordinance. Assistant Corrections Agent

This position is not currently evaluated.

This position is responsible for preparing reports, completing risk assessments, assessing client needs under the guidance of a corrections agent, and performing other tasks related to assisting corrections agents.

We have examined the essential duties of the position and have classified the position using the Decision Band Method® (DBM). The job evaluation shows the following:

Highest Banded Task: B3

Number of Highest Banded Tasks: 3/5 major responsibility areas

Percent of Time on High Banded Tasks: n/a

Degree of Difficulty/Diversity: Low

The position performs tasks that require “operational” decision-making such as: completing risk assessments of offenders to recommend appropriate supervision levels; assessing client needs and developing case plans under the direction of a corrections agent; and interviewing clients to provide intervention recommendations. Overall, this position has the ability to determine “how” and “when” the steps and tasks of the defined work will be done, but not the activities and steps involved in the process.

The classification receives a sub-grade of three (2), because of the high diversity of the B2 tasks in relation to similarly banded and graded classifications. Thus, the correct evaluation of this position is B32 (note that B3 is typically used to represent formal supervision of similarly banded positions, however, we recognize that B3 is used differently within the County to better fit the internal structure).

Social Worker

This position is currently evaluated as a C41.

This position is responsible for providing counseling services, responding to crises, assessing client needs, and performing other tasks related to providing case management services.

We have examined the essential duties of the position and have classified the position using the Decision Band Method® (DBM). The job evaluation shows the following:

Highest Banded Task: C4
Number of Highest Banded Tasks: 4/9 major responsibility areas
Percent of Time on High Banded Tasks: n/a
Degree of Difficulty/Diversity: Low

The position performs tasks that require "process" decision-making such as: assessing client needs and developing treatment plans accordingly; investigating maltreatment cases and developing safety plans; and providing counseling and crisis intervention services. Overall, this position performs tasks that allow for the incumbent to determine processes or methodologies necessary to accomplish the essential responsibilities.

The classification receives a sub-grade of one (1), because of the low diversity of the C4 tasks in relation to similarly banded and graded classifications. Thus, the correct evaluation of this position is C41.

County Surveyor

This position is not currently evaluated.

This position is responsible for reviewing and approving plats in accordance with ordinances, supervising staff, and performing other tasks related to providing land survey services.

We have examined the essential duties of the position and have classified the position using the Decision Band Method® (DBM). The job evaluation shows the following:

Highest Banded Task: C5
Number of Highest Banded Tasks: 2/6 major responsibility areas
Percent of Time on High Banded Tasks: n/a
Degree of Difficulty/Diversity: Low

The position performs tasks that require "process" decision-making such as: developing a government remonumentation plan; interpreting policies and regulations and applying them to survey functions; and participating in budget formulation. Overall, this position performs tasks that allow for the incumbent to determine processes or methodologies necessary to accomplish the essential responsibilities.

The classification receives a sub-grade of one (1), because of the low diversity of the C5 tasks in relation to similarly banded and graded classifications. The position performs formal staff supervisory tasks. Thus, the correct evaluation of this position is C51.

Dear Bobbie:

The County sent job descriptions for the Correctional Officer and Dispatcher positions to Gallagher Benefit Services, Inc. to confirm placement at the B22 level.

We reviewed the job descriptions provided to understand the essential duties, level of responsibilities and other requirements. We also reviewed the Utility Maintenance Custodian job description for comparison. Upon review, we have concluded that these jobs should remain at the B22 level.

The Correctional Officer, Dispatcher and Utility Maintenance Custodian positions all have 50-60% of major responsibility areas in the highest band (B) and have low complexity in relation to similarly banded jobs. While these jobs have varying levels of working conditions (i.e. the Correctional Officer is subject to more extreme working conditions than the Utility Maintenance Custodian), working conditions do not affect job evaluation ratings. Thus, these jobs should remain at the same level.

Similarly, using the formula approach for subgrade calculation that accounts for number of job tasks at the highest band, percent of time spent at the highest band and difficulty/diversity we get the same result, placing these jobs at the B22 level. (Note that we do not have "percent of time spent at the highest band" information, however, even if these jobs were to spend 100% of time in the B band, the result would remain the same).

We appreciate the opportunity to assist the County with its classification needs. If you have any questions or concerns, please contact me at 651.234.0851 or megan_olson@ajg.com. We look forward to assisting you again in the near future.

Five-Year Capital Improvement Plan for

Aitkin County, Minnesota

AITKIN COUNTY
FIVE-YEAR CAPITAL IMPROVEMENT PLAN
2017 THROUGH 2022

I. INTRODUCTION

Aitkin County (the “County”) is located in north central Minnesota, 125 miles north of the Twin Cities. Aitkin County (pop. 15,702) is strategically located between the northern Minnesota urban centers of Brainerd, Grand Rapids and Duluth. Its largest industries are tourism, forest products and agriculture, but there is a growing base of metal fabrication and other manufacturing. The county has excellent public schools, well-developed transportation systems, and modern community health care facilities. Long famous for its recreational assets, it boasts an abundance of trails and lakes, including Mille Lacs, one of Minnesota's most popular and prolific fishing destinations. The Mississippi River runs through the county for 103 miles. Total land area of the County is 1,821,660 acres and consists of 56 Townships and 6 incorporated cities. The County seat is the city of Aitkin.

In 1988, the Minnesota State Legislature adopted a statute that generally exempts county general obligation bonds issued under a capital improvement plan from the referendum requirements usually required for bonding expenditures. The statute on general obligation capital improvement plan bonds is Minnesota Statutes, Section 373.40 (the “Act”).

Under the Act, Aitkin County can issue bonds to a level that the principal and interest payments in any one year does not exceed 0.12% of that year's estimated market value (EMV). For taxes payable 2016, Aitkin County's EMV was \$2,480,753,800. Therefore, the total amount available to be used to pay principal and interest in any given year under this Capital Improvement Plan is \$2,976,904 ($\$2,480,753,800 \times .12\%$).

II. PURPOSE

The County wishes to issue general obligation capital improvement plan bonds to finance the construction of an addition to the existing courthouse, public safety and security improvements to existing facilities, facility remodeling and demolition of the West Annex addition and other related building and grounds improvements. The Capital Improvement Plan (“CIP” or “Plan”) has been prepared to meet the statutory criteria in the Act for this purpose.

Under the Act, a capital improvement is a major expenditure of County funds for the acquisition or betterment to public lands, buildings, or other improvements within the county for the purpose of a county courthouse, administrative building, health or social service facility, correctional facility, jail, law enforcement center, hospital, morgue, library, park, qualified indoor ice arena, roads and bridges, public works facilities, fairground buildings, and records and data storage facilities, and the acquisition of development rights in the form of conservation easements under Minnesota Statutes, Chapter 84C, which has a useful life of 5 years or more. Under the Act, capital improvements do not include recreation or sports

facility buildings, unless the building is part of an outdoor park facility and is incidental to the primary purpose of outdoor recreation. A CIP is a document designed to anticipate capital improvement expenditures and schedule them over a five-year period so that they may be purchased in the most efficient and cost effective method possible.

The CIP must set forth;

1. The estimated schedule, timing and details of specific capital improvements;
2. Estimated cost of the capital improvements identified;
3. The need for the improvements; and
4. The sources of revenues needed to pay for the improvements.

A CIP allows the matching of expenditures with anticipated income. As potential expenditures are reviewed, the County considers the benefits, costs, alternatives and impact on operating expenditures.

Before issuing bonds under a CIP, the County must hold a public hearing on the CIP and the proposed bonds, and must then approve the CIP and authorize the issuance of the bonds by at least a 3/5 majority.

If a petition signed by voters equal to at least 5% of the votes cast in the last general County election requesting a vote on the issuance of bonds is received by the county auditor within 30 days after the public hearing, then the bonds may not be issued unless approved by the voters at an election.

The statute has established certain criteria that must be considered for each project to be undertaken pursuant to this Plan (the "Project"). These criteria are:

1. Condition of the County's existing infrastructure and projected need for repair or replacement;
2. Demand for the improvement;
3. Cost of the improvement;
4. Availability of public resources;
5. Level of overlapping debt;
6. Cost/benefits of alternative uses of funds;
7. Operating costs of the proposed improvements; and
8. Alternatives for providing services most efficiently through shared facilities with other municipalities or local governments.

The Plan is designed to be updated on an annual basis. In this manner, it becomes an ongoing fiscal planning tool that continually anticipates future capital expenditures and funding sources.

III. PLAN SUMMARY

This Plan is intended to describe and analyze the need for the Project in accordance with the Act. The County may modify this Plan from year to year as authorized by the Act.

Following is a summary of estimated expenditures for the Project:

2017 Expenditures

The County intends to construct an addition to the existing courthouse, make public safety and security improvements to existing facilities, existing facility remodeling and demolition of the West Annex addition and other related building and grounds improvements. All improvements are meant to increase staff efficiency and enhance public safety. The estimated cost for the Project is \$10,500,000.00. Bond proceeds are expected to fund the Project.

Analysis

The County has analyzed the eight points required by the Act for the Project on an individual basis and as a whole. The findings are as follows:

1. Conditions of County Infrastructure, Including the Projected Need for Repair or Replacement and Need for the Project

The proposed capital improvement is being considered for; improve security for the courthouse and adjacent buildings, currently there are multiple entrances and none are secure. Accessibility, the courthouse was built in the 1900's and has had several additions over the years including converting the old jail, built in the 1910's, into offices and building a corridor between the old jail and courthouse. What has resulted is steep corridors, narrow hallways, one handicap entrance to the entire courthouse, and myriad problems for people with mobility issues to move about the courthouse to where they need to go. Service improvements, the layout of the courthouse does not logically segregate offices with familiar functions to serve

the public. Modernize work stations and public access points, the courthouse was not designed for the 21st century and thus has limited capacity to adapt to new technologies that will be necessary to use. Space shortage, currently there is not enough space for old records that by law must be maintained. The county is storing records in old garages and other unsuitable spaces. Space shortage, many offices that were designed in the 1900's are no longer adequate for staffing and public interaction needs. There is a lack of meeting space, especially the County Board Room.

2. Likely Demand for the Project

The current courthouse proper houses the County Attorney and Judicial offices with community corrections housed in a separate facility. Land ownership services such as Planning and Zoning, Recorder's Office and the Land Department are located in different areas of the courthouse causing citizens unnecessary navigation back and forth between offices when all their needs could have been met at once. In addition, the Veterans Service Office is not readily accessible and very hard for veterans to navigate through the various halls and additions added to the courthouse over the decades. The Project will consolidate services, provide accessibility, provide a safer environment and allow the County to meet current and future needs.

3. Estimated Cost of the Project

The estimated cost, including architectural/engineering, contingency, legal and bonding, of the 2017 Project (the only Project for which bond authorization is requested) is set forth in Appendix A.

4. Available Public Resources

The County does not have sufficient cash reserves on hand or other available public resources to finance construction of the Project without issuing bonds. The County will finance the Bond principal and interest payment through a debt service tax levy (ad valorem).

5. Level of Overlapping Debt in the County

The level of overlapping debt in the County as of December 31, 2015 is provided in Appendix B.

6. Relative Benefits and Costs of Alternative Uses of the Funds

The County has explored several options for funding and anticipates the issuance of bonds for the Project to be the most efficient way to finance the Project.

7. Operating Costs of the Proposed Project

Operating costs are expected to remain the same with the proposed improvements. However, repairs and maintenance costs are anticipated to decrease due to the new construction. New systems will reduce operating cost and increase efficiency.

8. Alternatives for Providing Services Most Efficiently Through Shared Facilities with Other Municipalities or Local Government Units

All proposed capital improvements are proposed to maximize efficiency by consolidating public services to area of and other related services at one facility and do so in a cost effective manner. The County has determined that no greater efficiency can be achieved through constructing shared facilities with other local government units.

IV. FINANCING THE CAPITAL IMPROVEMENT PLAN

The total amount of requested expenditures under the CIP is expected not to exceed \$10,500,000.00. These expenditures are to be funded by the sale of the County's general obligation capital improvement plan bonds in the maximum amount of \$10,500,000.00 in the year 2017 for the Project listed under the 2017 Expenditures.

In the financing of the CIP, two statutory limitations apply. Under Minnesota Statutes, Chapter 475, as amended, with few exceptions, a county cannot incur debt in excess of 3% of the assessor's Estimated Market Value ("EMV") for the county. In Aitkin County the EMV is \$2,480,753,800; therefore, the total amount of outstanding debt cannot exceed \$74,422,614. As of March 1, 2016, Aitkin County had \$0 in outstanding debt subject to the legal debt limit. The County is therefore far under this limit and has no intention of approaching it.

Under this CIP the County may issue \$10,500,000.00 in general obligation capital improvement plan bonds in the years 2017 through 2022 to finance the Project. If the County were to issue general obligation capital improvement bonds in the maximum principal amount of \$10,500,000.00 for the Project, the general obligation capital improvement bonds would be repaid over a period of approximately twenty (20) years pursuant to the Act. The maximum annual principal and interest payments are estimated not to exceed \$775,000 over 20 years at an average rate of 4.0% per annum. A preliminary debt service schedule appears in Appendix B.

Expected debt service on the proposed bonds for the 2017 Project is within the statutory limits.

Annual Review of the Capital Improvement Plan

The County Board of Commissioners, using the process outlined in this CIP, may review this CIP annually, taking into account proposed expenditures, making priority decisions and seeking funding for those expenditures it deems necessary for the County. If deemed appropriate, the County Board of Commissioners will prepare an update to this CIP.

**RESOLUTION RELATING TO FINANCING OF CERTAIN
PROPOSED PROJECTS TO BE UNDERTAKEN BY THE COUNTY;
ESTABLISHING COMPLIANCE WITH REIMBURSEMENT BOND
REGULATIONS UNDER THE INTERNAL REVENUE CODE**

BE IT RESOLVED, by the Board of County Commissioners (the "Board") of Aitkin County, Minnesota (the "County"), as follows:

1. Recitals.

- a. The Internal Revenue Service has issued Section 1.150-2 of the Income Tax Regulations (the "Regulations") dealing with the issuance of bonds, all or a portion of the proceeds of which are to be used to reimburse the County for project expenditures made by the County prior to the date of issuance.
- b. The Regulations generally require that the County make a declaration of its official intent to reimburse itself for such prior expenditures out of the proceeds of a subsequently issued series of bonds within 60 days after payment of the expenditures, that the bonds be issued and the reimbursement allocation be made from the proceeds of such bonds within the reimbursement period (as defined in the Regulations), and that the expenditures reimbursed be capital expenditures or costs of issuance of the bonds.
- c. The County desires to comply with requirements of the Regulations with respect to certain projects hereinafter identified.

2. Official Intent Declaration.

- a. The County proposes to make original expenditures with respect to constructing an addition to the existing County courthouse, making public safety and security improvements to existing facilities, remodeling existing facilities and demolishing the West Annex addition to the courthouse, and making other related building and grounds improvements (collectively, the "Project"), pursuant to the County's 2017-2022 Five-Year Capital Improvement Plan, prior to the issuance of reimbursement bonds, and reasonably expects to issue reimbursement bonds for the Project in the maximum principal amount not to exceed \$10,500,000.
- b. Other than (i) de minimis amounts permitted to be reimbursed pursuant to Section 1.150-2(f)(1) of the Regulations or (ii) expenditures constituting preliminary expenditures as defined in Section 1.150-2(f)(2) of the Regulations, the County will not seek reimbursement for any original expenditures with respect to the foregoing projects paid more than 60 days prior to the date of adoption of this resolution. All original expenditures for which reimbursement is sought will be capital expenditures or costs of issuance of the reimbursement bonds.

3. Budgetary Matters. As of the date hereof, there are no County funds reserved, pledged, allocated on a long term basis or otherwise set aside (or reasonably expected to be reserved, pledged, allocated on a long term basis or otherwise set aside) to provide permanent financing for the original expenditures related to the projects, other than pursuant to the issuance of the reimbursement bonds. Consequently, it is not expected that the issuance of the reimbursement bonds will result in the creation of any replacement proceeds.

4. Reimbursement Allocations. The County's financial officer shall be responsible for making the "reimbursement allocations" described in the Regulations, being generally the transfer of the appropriate amount of proceeds of the reimbursement bonds to reimburse the source of temporary financing used by the County to make payment of the original expenditures relating to the projects. Each reimbursement allocation shall be made within 30 days of the date of issuance of the reimbursement bonds, shall be evidenced by an entry on the official books and records of the County maintained for the reimbursement bonds and shall specifically identify the original expenditures being reimbursed.

Presenter (Name and Title): John Welle, Aitkin County Engineer		Estimated Time Needed: 10 minutes
Summary of Issue: <p>On January 24, 2017, purchase of a new highway sign installation flatbed truck was authorized. Acquisition of this vehicle is in process, with delivery expected in early April.</p> <p>When the existing sign truck was programmed for replacement in previous years, it was an oversight on our part not to include the cost of a new air compressor that is permanently mounted on this vehicle. The air compressor is used to power both the air hammer that's used to drive posts and the jack hammer that's used for various tasks. The existing compressor is a very old model that would require significant repairs to the motor and compressor and no longer provides the capacity needed to run this equipment.</p> <p>Quotes were solicited for a 700 cfm (cubic feet per minute) compressor with 100 psi continuous output.</p> <p>Boss Industries - La Porte, Indiana: \$7,995 Summit Equipment Outlet - Marco Island, Florida: \$7,371</p>
