Summary of Issue:

Last year we held a residential waste electronics collection event on Saturday, June 10, 2017, from 10:00am - 2:00pm. The event was free to the public. We collected 53,591 pounds of materials (2-2/3 semi loads) with a cost of \$9560.00. I propose we hold a similar event this year on June 16, 2018, from 10:00am to 2:00pm.

2 options - either have the event free of charge or charge \$5.00 per screened item (TV, Computer Monitor, etc.).

Attached is the advertisement from last year that lists the accepted items.

Not hold the event this year.

Hold a residential waste electronics collection on June 16, 2018.
