Jessica Seibert & the Aitkin County Board of Commissioners

Dear Jessica,

As my on-site time at Aitkin Count has come to an end, I would like to Thank the Board of Commissioners for the opportunity to serve as their construction site coordinator. My time in Aitkin County has been very enjoyable and I feel I have made some lifelong friends.

Having the opportunity to interact with the people of Aitkin County I have received many positive comments regarding the recently completed Aitkin County Government Center building. The County Board is to be commended for their vision in taking on this project to position the services for the Aitkin County residents for the future. These decisions are never easy or without controversy. The efficiencies of the new building will more than prove themselves out in the coming years, financially as well as operationally.

Even though I will not be on site weekly I will be remotely connected to the project for an extended time to help resolve any lingering issues through Travis at Contegrity Group. Also, if need arises, I am only a phone call away.

Again, it has been my honor and pleasure to serve the Aitkin County Board for the last fourteen months.

Wishing everyone the very best for 2021.

Thank You

Carl A. Clark
