# Aitkin County Historical Society

Depot Museum

P.O. Box 215

Aitkin, Minn. 56431

218/927-3348

July 13, 2023

To: Jessica Seibert, MPNA
Aitkin County Government Center
307 2<sup>nd</sup> Street NW, Room 310
Aitkin, MN 56431

Subject: 2024 Aitkin County appropriation for Aikin County Historical Society

For 75 years the Aitkin County Historical Society has served the citizens of our county by collecting and preserving historical artifacts and documents pertaining to all aspects of the county and its population. We provide a resource for the ongoing study of the rich history of our county, its citizens, and the communities and organizations that have made Aitkin County develop from logging camps to what it is today.

Our facilities include the main NP Depot building, an additional display/storage building on the NP Depot grounds, and an off-site storage/workshop building located by the county shops. We are the designated depository of all county records including maps, events, charts, board records, and physical artifacts and perform the same function for the various communities and organizations contained throughout the county. Because of this, it is vital to maintain a controlled environment that has controlled temperature and humidity, is pest free, and secure. These conditions must be maintained 365 days a year whether the buildings are occupied or not, so the cost of utilities and maintenance is an ongoing expense. Other expenses can also suddenly arise. The most recent examples of this would be the recent replacement of a failed heating unit and a toilet last winter at the cost of app. \$6000.00.

After almost three years, the effects of COVID are still haunting our organization. Our Depot Museum was shut down for 2020 and all events were cancelled, resulting in a very significant reduction in income for the 2020 year.

When the COVID restrictions were lifted in 2021, The Depot Museum was able to re-open and events rescheduled, but due to several reasons, many of our volunteers failed to return. The result was an inability to properly maintain and improve the physical infrastructure, since these tasks are usually performed by our volunteer group. In late 2022 our organization saw the resignation of another administrator because of the financial inability of the ACHS to make it more than a part-time position. This caused the Depot Museum to limit the hours it could be open to the public to only one day a week.

In May of 2023 I was hired as the new administrator of the ACHS. Since that time, we have once again been able to open the Depot Museum to the public 4 days a week resulting in much more public awareness of what we do and what services we can provide. Our volunteer group is growing again, and several community groups have come forth to help with grounds maintenance, repair work, landscaping, etc.

218/927-3348

In May, the 6<sup>th</sup> grade classes from McGregor and Aitkin were given a guided tour through the facility. Presently we are seeing an average of 80-90 visitors per month at the Depot and this number is steadily increasing and our display at the Aitkin County Fair had well over 1000 visitors. Our future plans include reaching out to other organizations to see if we can provide assistance in plotting their histories, working with the schools to develop educational programs about the development and progress of the county, and reaching out to the other communities in the county that are outside the Aitkin area.

Our funding comes from county appropriation, memberships, donations, grants, fund raising events, memorials, store sales, township donations, and an annual fund drive. Included are our financial records for year 2022 and the proposed budget for 2024. Although these documents will show we have cash on hand, this is earmarked for future building and storage needs, and unexpected expenses. In addition, we are presently in the application process for a Depot renovation grant and there may be extra costs involved to complete the project.

Costs have risen significantly over the past several years and will continue to grow. The county appropriation for 2023 was \$19,000 and represented only a slight increase over the 2022 amount of \$18.500. We are requesting that the Aitkin County Board approve an appropriation for the 2024 year in the amount of \$25,000. This is a significant increase over last year's amount of 19,000 but, considering the minimal increases of previous years, we feel it a fair request. Thank you for your consideration in this matter.

Sincerely,

Richard Peterson Administrator

Aitkin County Historical Society
