  - Call 651-288-0400 or text "Support" to 85511
- **National Suicide Prevention Lifeline:** The 24/7 lifeline provides support when in distress, has prevention and crisis resources for you or your loved ones, and resources for professionals.
  - Call 1-800-273-TALK (8255)
- **Substance Abuse and Mental Health Services Administration Disaster Distress Helpline:** Offers crisis counseling and support if you or a family member is experiencing emotional distress related to a disaster.
  - Call: 1-800-985-5990

In response to COVID-19, state agencies have developed and shared resources to support mental well-being as children and families adjust their daily lives to stop the spread of COVID-19. Some of the current resources include:

- [Supporting Mental Promotion during COVID-19 \(MDH\)](#)
- [Mental and Behavioral Health Resources During COVID19 \(MDH\)](#)
- [Supporting people who have disabilities during COVID-19](#)

For parents or caregivers (especially those who have children with special health needs or different abilities) looking to talk to other parents for emotional support or one-on-one help in navigating resources, Minnesota has a number of organizations to help including:

- [Disability Hub MN](#) provides free, statewide, information, referral and assistance service to help people with disabilities, chronic illnesses and their representatives connect to community services.
- [Family Voices of Minnesota](#) is a parent-run organization providing information, resources, and peer-to-peer support for families who have children with special health needs or disabilities.
- [PACER](#) is a resource for families of children with disabilities, including parent advocates and staff available to assist families at 952-838-9000 or [pacer@pacer.org](mailto:pacer@pacer.org).

## Cash and Economic Assistance

During this pandemic, some requirements for essential programs and services have been waived or modified to allow Minnesotans to receive the support they need. Learn more about the [temporary waivers from the Minnesota Department of Human Services](#).

The following resources are available if you, your family, or someone you know needs economic assistance:

- **Bridge to Benefits:** This [web-based screening tool](#) can help you identify if you're eligible for public works programs, including SNAP, WIC, School Meal Program, Minnesota Health Care Programs, Energy Assistance, and Child Care Assistance.
- **ApplyMN:** [This web application](#) can connect you with state and county services to help meet your and your family's basic needs. Use it to apply for [cash assistance](#), [Supplemental Nutrition Assistance Program \(SNAP\) benefits](#), [child care assistance](#), and Emergency Assistance. Call 651-431-4000 for questions.
- **Emergency Assistance:** Your household may be eligible for assistance to cover emergency needs, such as help paying rent or utility bills. Contact your [county or tribal human services agency](#) to learn about availability, eligibility, and how to apply.
- **Community Action Agencies:** [This site gathers](#) local, state, federal, and private resources that can help individuals and families with low incomes.

**Unemployment Support:** If you lose your job, had your hours greatly reduced, or are unable to work because of the COVID-19 pandemic, you should apply for Unemployment Insurance (UI) benefits. To get more information about Unemployment Insurance or to apply for benefits, visit [www.uimn.org](http://www.uimn.org). Learn more [information about unemployment insurance](#) or [apply here](#). The Governor has taken action to allow faster payments for unemployment benefits and waive the employer surcharge. Congress also passed legislation that provides an additional \$600 a week for individuals receiving unemployment benefits, extends unemployment benefits to 13 weeks, and a new program for individuals who are unemployed due to COVID-19 but are unable to receive unemployment benefits.

## Health Care Coverage

### State programs

The State of Minnesota offers programs and resources that can help support you and your family's health during the COVID-19 pandemic.

**Enroll in MNsure now through April 21.** If you or your family is currently uninsured, you can enroll through MNsure now through Tuesday, April 21. This unique enrollment opportunity is available for qualified individuals as COVID-19 cases continue to grow. Eligible families can apply and enroll in Medical Assistance and MinnesotaCare at any time. Learn more about [eligibility](#) or access the information in [another language](#).

**Continued services for Minnesota health care coverage renewals suspended.** If you or your family members are on Medical Assistance, Minnesota Coverage, or the Children's Health Insurance Program, the annual renewal process and closures are suspended during the COVID-19 pandemic. Enrollment in the programs is still available.

## Minnesota Health plans

State leaders have partnered with local nonprofit health plans to remove barriers to care and coverage during the COVID-19 pandemic. Refer to your health plan for a better understanding of changes specific to your coverage.

Some of the changes for **commercially insured** members include:

- **No costs for COVID-19 testing.** Minnesotans will not be charged for any costs related to COVID-19 testing.
- **No costs for hospitalizations related to COVID-19.** Most plans will not charge members if they need to be hospitalized due to COVID-19 and use an in-network hospital.
- **Access to telemedicine.** Most plans and providers have increased access to telemedicine services, allowing Minnesotans to get the care they need from the safety of their homes.

**Employer coverage may vary.** Many Minnesotans are covered through their employers, who offer their own benefit structure. The State of Minnesota cannot mandate these benefits to these plans but is encouraging employers to offer similar COVID-19 coverage.

## Housing

The following resources and changes help ensure all Minnesotans have a safe place to stay during the Stay at Home order.

- [Information and resources on Minnesota Housing.](#) This site offers a variety of resources and information that can help renters, homeowners, landlords, and lenders. This includes FAQs and information in multiple languages.
- [Information and resources on Housing Discrimination and Eviction Protections.](#) This site from the Minnesota Housing and Department of Human Rights provides information in multiple languages. Contact Minnesota's Discrimination Helpline with the Department of Human Rights at 1-833-454-0148 or [online here](#). Translation/Interpretation services available.
- **Domestic abuse and violence hotline.** There are places of sanctuary open for anyone facing abuse or violence. Call Minnesota's statewide crisis hotline at 1-866-223-1111 or send a text to 612-399-9995. [Learn more about resources from Cornerstone.](#)

## Suspending evictions during COVID-19

To protect the health and well-being of Minnesotans during the pandemic, the Governor signed an order to suspend evictions. However, rent is not reduced or waived during this time. Once the suspension has ended, owners can file for evictions and removals can be enforced. Not paying rent on time can impact credit or cause problems that impact future housing options. Here are resources that offer more information:

- **More information on the Executive Order.** This [Frequently Asked Questions document](#) provides more information about the order that suspended evictions. (Also available in [Spanish](#), [Hmong](#), and [Somali](#)).
- **Emergency Assistance.** If you are a renter and need emergency assistance, talk to your landlord. You can also contact your [county's human services agency](#), [United Way](#), [Community Action Agency](#), or the Department of Human Services.
- **Legal assistance.** If you're a renter, you can get legal help on a wide range of issues, including repairs, evictions, security deposits, landlord invasion of privacy, and more. Call HOME Line's hotline at 612-728-5767.
- **If you receive an eviction notice.** If you receive an eviction notice during peacetime emergency, you may contact the Attorney General's office to submit a [complaint](#).

- **Homeowners:** If you're a homeowner experiencing difficulty making on-time mortgage payments, there may be options for you. Information is available on the [Consumer Financial Bureau's website](#).

## Utilities

Utility payments may also be eligible under emergency assistance funding above. Many telephones, internet, and cell providers signed the "[Keep America Connected Pledge](#)" and are not disconnecting services or are offering special payment plans. Many providers are also opening public hotspots and offering free Wi-Fi for students and low-income families.

- **Comcast:** Comcast is opening its Xfinity Wi-Fi Network nationally for free, connecting low-income families to free internet to support them with distance learning during school closures.
- **The Energy Assistance Program (EAP):** This program helps pay for home heating costs and furnace repairs for income-qualified households. Learn how to [apply](#) to your [local Energy Assistance provider](#) through June 1.

## Child Care

The COVID-19 pandemic has made significant impacts to child care services, both to families and providers. Here are some resources that can help.

- **Families seeking childcare.** If you are an essential worker and need child care, call the Parent Aware Hotline at 1-888-297-9811 for assistance. Non-essential workers in need of child care can find resources and a map of open providers at [mn.gov/childcare](http://mn.gov/childcare).
- **Child care providers.** Child care providers are essential workers and can remain open. Providers are encouraged to prioritize children of essential workers with public health guidance and information on [mn.gov/childcare](http://mn.gov/childcare). We encourage providers to [regularly update their status and capacity to help connect families with needed care](#).

## Food Resources

If you, your family, or someone you know is struggling with access to food, here's a list of resources and programs that can help.

- **Hunger Solutions Minnesota.** This program works to end hunger across the state. This includes a [map with locations where there are free or low-cost meals for kids](#), or a [map with food shelves, discount groceries, and other resources](#). The Food Helpline can also assess your situation and provide solutions. If you're struggling to afford or access foods, call 1-888-711-1151, use the [chat feature](#), or [fill out this form](#).
- **SNAP Outreach Specialists.** If you need food assistance, specialists can give you more information about receiving the Supplemental Nutrition Assistance Program (SNAP). [Learn how to enroll and use the benefit](#) to make informed decisions about buying healthy, nutritious food.
- **Food shelves.** If you have an immediate need for food or are experiencing economic hardships that prevent you from being able to purchase food, your local food shelf can help. Many food shelves provide drive thru, or other alternatives pick up options for your safety. More information can be found on [Second Harvest Heartland's website](#).
- **Summer Eats.** As public schools and community meal sites are closed, this site connects kids under the age of 18 to free nutritious meals. [Use the site](#) to find more than 400 locations across the state where that are providing free meals for kids, or download the mobile app.

## Financial Supports for College Students

To help college students, students with children, and families remain financially whole during the pandemic, students will continue to receive current state financial aid payments, even if they withdraw from classes. This includes being paid for scheduled work study hours and child care grants they were depending on. More information can be found at: [State Financial Aid Guidance during COVID-19](#).

## Business Support

Over the past few weeks, several state and federal programs have been built to assist small businesses struggling during the COVID-19 pandemic. Small businesses, including child care providers and nonprofits, may also be eligible for business supports. However, the status of this federal program is changing – and may be closed – based on availability of federal dollars appropriated by Congress. Please check [sba.gov/disaster](https://sba.gov/disaster) for current status. For an overall small business guide, use this [site](#).

Federal resources have included:

- The [Federal Small Business Administration COVID 19 Disaster Loans](#)
- Federal expansions to the [Small Business Administration's Economic Injury Disaster Loans](#)
- The [new Paycheck Protection Program](#)

Free one-on-one business counseling regarding COVID-19 from [SBA Resource Partners](#).

**Financial Supports for Child Care Providers.** Licensed child care programs can now apply for grants to support them during the peacetime emergency. Recipients are selected on a month-to-month basis, with grants starting at \$4,500. [Learn more about eligibility and how to apply](#). The six Minnesota Initiative Foundations and Think Small also created a [program](#) to provide immediate financial support to licensed child care providers in Greater Minnesota and Twin Cities with information.

## Worker Support and Safety in Health in the Workplace

**Worker Protections Related to COVID 19.** [This document on worker protections](#) from the Minnesota Department of Labor and Industry, Minnesota Department of Human Rights, MN Department of Employment and Economic Development, and Minnesota OSHA has information on Worker Protections Related to COVID-19, including use of sick leave and Family Medical Leave Act (FMLA), discrimination, including information on reasonable accommodations, unemployment insurance benefits, workers' compensation, changes to workers conditions and workplace safety and health.
