Dear Contractor,

Bids for the demolition and abatement of two properties in Aitkin County were scheduled to be opened and awarded yesterday at 2:00 p.m. Because a number of contractors requested to see the asbestos assessment prior to submitting a bid, the deadline for submitting bids has been extended to 2:00 p.m. on Wednesday, September 9<sup>th</sup>, 2020. The asbestos and regulated materials assessment is in progress and will be completed on August 28<sup>th</sup>. This report will not be mailed out to all contractors but will be available to anyone who requests a copy of it. If you would like a copy of the reports, please contact the Land Department after August 28<sup>th</sup>.

If you submitted a demo bid, we will hang on to it until September 9<sup>th</sup>. If you want to amend your bid, please let us know. Thanks!

The project completion date has been moved back to November 23<sup>rd</sup>, 2020.

Sincerely,

Dennis Thompson  
Assistant Land Commissioner
