Map

- The Land Department should be notified at least 10 working days in advance of beginning a project.
- Pit area is to be left according to Aitkin County's gravel ordinance.
- Project start date will depend on weather conditions and getting the contractor completing the road prep first.
- The contractor shall provide appropriate safety measures based on relevant OSHA standards.
- The contract shall provide Worker's Compensation insurance for all employees in accordance with Minnesota statutory requirements.
- The contractor will be required at all times during the term of the contract, to maintain and keep in force a liability insurance policy in the amounts of legal obligation per Minnesota statute. The policy must contain a contractual liability endorsement covering the contractor's indemnity obligation to the County, its officers, agents and employees, pursuant to the contract.
- The successful bidder shall furnish a certified copy of his or her insurance to the Aitkin County Land Commissioner prior to starting date.
- Payment will be made upon receipt of an itemized bill from the contractor. All bills must include dates of work and hours worked.
