Aitkin County Property Tax Statements, along with Valuation Notices, have been mailed out to property owners on March 23, 2026.

The Valuation Notices, printed on yellow paper, display the property's 2026 value and classification for taxes payable in 2027. Property owners are urged to review these details as they will affect taxes due in 2027.

It's important to note that the 2026 values on the notices are historical, based on sales from late 2024 and 2025, and may not reflect the current market value of the property.

The Tax Statements, printed on white and orange paper, indicate the tax amount due in 2026. The payment deadline for the first half of 2026 property taxes is May 15 for most properties. Payments received after this date, whether in person or postmarked, will incur penalties.

Aitkin County provides multiple property tax payment options, including online payment via e-check, debit, or credit card through the county website [www.aitkincountymn.gov](http://www.aitkincountymn.gov). Payments can be made over the phone by calling [218-460-5517](tel:218-460-5517). There is a service fee charged by the payment processor for all online or telephone payments. Payments can also be made via US Mail using a check or money order, addressed to:

Aitkin County Treasurer  
307 Second St NW Room #119  
Aitkin, MN 56431

Payments sent by mail must be postmarked no later than May 15 to avoid penalties. Additionally, a drop box is available outside the Aitkin County Government Center building, or payments can be made inside the Government Center on the 1st floor.
